LEADERSHIP ELECTIONS NOMINATIONS MEETING SATURDAY, MAY 11 2024

Recently, JFK8 workers participated in a referendum to determine whether or not ALU should hold elections for our leadership roles (President, Vice President, Secretary-Treasurer, and Recording Secretary). Workers voted in favor, so we are moving forward with leadership elections this summer.

First, any JFK8 worker who wants to run for union office must meet the following requirements:

- Be a current blue badge associate, or a blue badge associate who was fired in connection with an Unfair Labor Practice committed by Amazon, and is challenging their termination.
- Have at least one year of aggregate experience working in an Amazon warehouse.
- Be a member of ALU (signed a membership card before being nominated).

Second, any JFK8 worker seeking to run for office must be nominated at the nominations meeting on Saturday, May 11th.

- In order to be a candidate, you must be nominated for the position by someone else. Then, an additional person must "second" that nomination.

POSITIONS TO BE ELECTED:

- PRESIDENT
- VICE PRESIDENT
- SECRETARY-TREASURER
- RECORDING SECRETARY
- CONSTITUTION COMMITTEE (11 Members)

The meeting will be held at:
United Federation of Teachers
1200 South Ave Suite 103, Staten Island
Two Sessions: 4-6 PM & 6-8 PM

After nominations, candidates who are nominated may run as a slate.
The exact date of the elections are yet to be announced. They will occur between June and July.
